WATCHERS OF THE SKY

WATCHERS OF THE SKY takes you on a provocative journey from Nuremberg to The Hague, from Bosnia to Darfur, from criminality to justice, and from apathy to action.

Four stories of remarkable courage, compassion, and determination are told while setting out to uncover the forgotten life of Raphael Lemkin – the man who created the word “genocide” and believed the law could protect the world from mass atrocities.

Inspired by Samantha Power’s Pulitzer Prize-winning book, *A Problem From Hell*
